NEW **GO RHINO** HEAVY-DUTY FRONT AND REAR REPLACEMENT BUMPERS

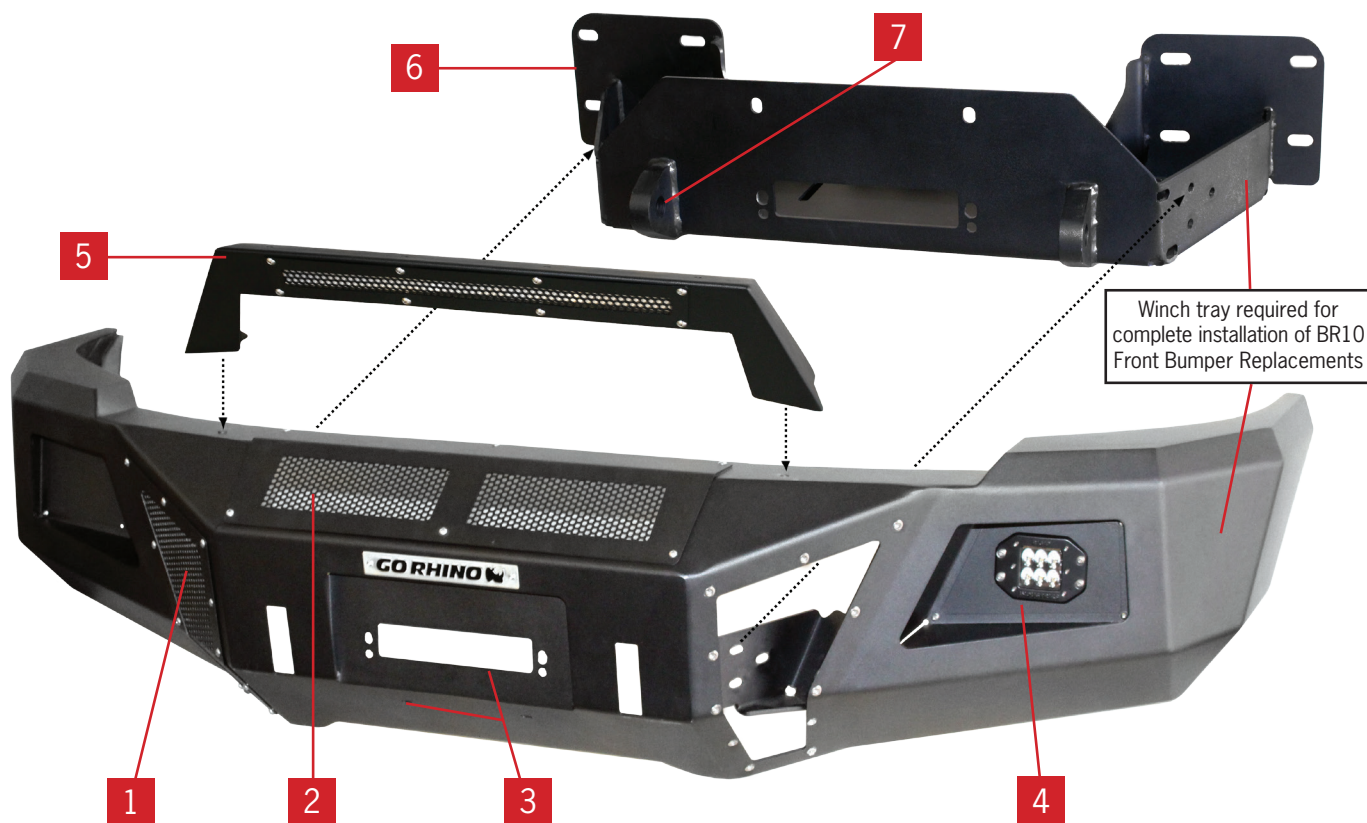

When you want the ultimate bumper for your truck, you want GO RHINO Bumper Replacements. These front and rear bumpers are laser measured and designed in 3D CAD to form fit the contours of each vehicle. They offer excellent protection thanks to the welded, one-piece 3/16-inch steel design with integrated light ports, heavy-duty D-shackle mounts, durable textured black powder coat finish, and are backed the GO RHINO 5-Year Warranty.

GO RHINO BR10 FRONT BUMPER REPLACEMENT

- 1 Framed mesh vent covers allow air to flow through the bumper and hide brackets.
- 2 Functional, removable steel mesh cover allows easy access to the winch.
- 3 Multiple license plate mounting locations available with included bracket.
- 4 Optional light plates allow installation of Rigid Dually D-Series flush mount LED lights.
- 5 Optional add-on Light Bar accessory allows installation of LED lights.

GO RHINO BR10 WINCH TRAY

- 6 Separate winch tray makes installation an easy two-step process.
Note: All bumpers require winch tray for complete installation and is ordered separately.
- 7 1-inch steel D-shackle mounting clevis welded directly to the 1/4-inch thick steel winch tray.

GO RHINO BR20 REAR BUMPER REPLACEMENT

- 1 Integrated corner steps for more stepping points to access the bed.
- 2 1-inch steel D-shackle mounting clevis welded to each of the ¼-inch steel mounting brackets.
- 3 Provisions for factory trailer light plug.
- 4 Includes two LED lights to light up the rear license plate.
- 5 Access point for the spare tire winch.
- 6 Provisions for factory rear park assist sensors.
- 7 Optional light plates allow installation of Rigid Dually D-Series flush mount LED lights.

Rugged box design ensures that products are not damaged during shipping

GO RHINO RB10 RUNNING BOARDS

The all-new GO RHINO RB10 Running Boards protect your paint from flying stones and gravel while providing a wide, full-length step platform for easy entry front or back doors. The RB10 Running Boards bring the aggressive Raptor look to any of the most popular pickup trucks from Chevy, Ford, Ram, & Toyota.

FEATURES

- Cab length running boards for popular Crew Cab and Extended Cab trucks, including gas and diesel models
- Rugged 16-gauge zinc-coated steel, formed construction
- OE-approved, factory-applied bed liner protective coating for tough, durable performance
- Sold in vehicle-specific sets with complete mounting hardware included
- Simple, no-drill installation. Includes mounting brackets
- 5-Year Warranty

Provides side protection from kicked up stones and gravel

Durable black textured protective coating

Raptor style louvers with an open slot design help reduce snow and mud buildup

GO RHINO OE XTREME SIDE STEPS

NEW GO RHINO OE XTREME II SIDE STEPS

GO RHINO next generation 6-inch OE XTREME II Cab Length Side Steps featuring bold OEM styling and new extra-wide SuperGrip™ step pads for easier, safer entry and exit from the vehicle.

FEATURES

- Available in 52, 80, and 87-inch lengths to fit Regular, Extended and Crew Cab trucks
- Features heavy-duty rubberized step pads that provide a skid-resistant tread surface at each door
- Black Texture Powder Coat finish over zinc coated steel with a 5-year warranty
- Polished stainless steel finish backed by a Limited Lifetime Warranty
- Multi-Fit side bar with end caps for a finished appearance
- No-drill brackets available for most application (sold separately)

6-INCH OE XTREME II Side Steps offers factory styling and exclusive SuperGrip™ step pads for maximum grip in all weather conditions.

FIT MORE TRUCKS WITH LESS PARTS

GO RHINO OE XTREME Side Steps are a multi-fit design that employs a no-drill mounting bracket system, sold separate from the step bar to satisfy customers while stocking fewer parts.

GO RHINO DOMINATOR HOOP STEPS

CAB LENGTH

GO RHINO Dominator Cab Length Hoop Steps are built tough for trucks that take a beating. Constructed from high strength round steel tubing with strategically positioned drop steps under each door, these heavy-duty hoops hold up to the day to day abuse you dish out climbing in and out of the cab.

2 1/2-inch round steel tubing

Punched steel step pads provide extra grip in wet, muddy, or snow conditions

26

GO RHINO DOMINATOR D2

CAB LENGTH HOOP STEPS

This classic hoop step design sits close to the body of the truck to provide a wide, secure stepping point for entering and exiting a vehicle.

FEATURES

- Two hoops provide a rugged step assist for driver and passengers to easily access the truck cab
- Body lift kit compatible
- Available in Black Texture Powder Coat or Polished Stainless finish
- 5-Year Warranty for Black Texture Powder Coat finish
- Limited Lifetime Warranty for Polished Stainless finish

GO RHINO DOMINATOR D4 **DUAL-STEP®, CAB LENGTH HOOP STEPS**

This exclusive Dual-Step® design presents an upper and lower step up to the cab for the perfect step up assist for taller, lifted trucks with oversized tires.

FEATURES

- 4-inch oval steel tubing
- Main bar and lower hoops feature extra-wide punched steel step pads for extra grip in wet conditions
- Simple, no-drill installation on most applications
- Black Textured Powder Coat or Polished Stainless finish

27

GO RHINO DOMINATOR HOOP STEPS WHEEL-TO-WHEEL

One-piece or modular, GO RHINO Dominator Wheel-To-Wheel Hoop Steps extend between the front and back wheel openings with drop down steps placed below each door, and a third step positioned towards the back providing easy access the truck bed or toolbox.

GO RHINO DOMINATOR D3 ONE PIECE WHEEL-TO-WHEEL HOOP STEPS

FEATURES

- One-piece main bar made of 3-inch round steel tubing
- Three hoop steps on each side feature punched steel step pads for extra grip in wet conditions
- Third hoop provides easier access to the truck bed
- Simple, no-drill installation on most applications
- Body lift kit compatible
- Black Texture Powder Coat or Polished Stainless finish
- Must ship truck freight

28

DOMINATOR D3 wheel-to-wheel hoop steps provide convenient steps to access the cab and truck bed

Optional 'Original' style step pads provide extra room for large boots. Available in Black, or Brushed aluminum finish as shown. (sold separately)

ATOR

GO RHINO DOMINATOR D3 MODULAR

WHEEL-TO-WHEEL HOOP STEPS

GO RHINO Dominator D3 two-piece modular design delivers the same strength and durability as the one-piece design with the added benefit of significant savings in shipping costs.

FEATURES

- Two-piece main bar made of 3-inch round steel tubing
- Three hoop steps feature punched steel step pads for extra grip
- Third hoop provides easier access to truck bed or toolbox
- Simple, no-drill installation on most applications
- Body lift kit compatible
- Black Texture Powder Coat or Polished Stainless finish
- Ships Parcel, which is more convenient and cost-effective than shipping truck freight

DOMINATOR D3 modular design – U.S. Patent 6,588,783; 6,874,801 other patents pending

29

- Compatible with gas and diesel models
- Heavy duty, vehicle-specific mounting brackets and hardware included
- 5-Year Warranty for Black Texture Powder Coat finish
- Limited Lifetime Warranty for Polished Stainless finish

GO RHINO SIDE STEPS

GO RHINO 415 SERIES

CAB LENGTH SIDE STEPS

- 4-inch oval tube with a 15-degree bend on each end
- Welded end caps on Stainless version
- Plastic end caps on Textured Black version
- High-traction composite step pads
- Simple, no-drill installation, mounting hardware included
- Limited Lifetime Warranty for Polished Stainless finish
- 5-Year Warranty for Textured Black finish

GO RHINO 4000 SERIES

CAB LENGTH SIDE STEPS

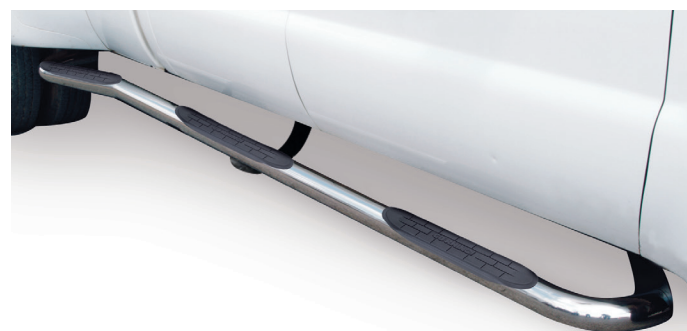

- 3-inch round tube with a 90-degree bend on each end
- High-traction composite step pads
- Simple, no-drill installation, mounting hardware included
- Limited Lifetime Warranty for Polished Stainless finish
- 5-Year Warranty for Black Powder Coat finish

GO RHINO 6000 SERIES

WHEEL-TO-WHEEL SIDE STEPS

- 3-inch round tubing
- High-traction composite step pads
- Simple, no-drill installation, vehicle-specific mounting hardware included
- Available in modular design (conveniently ships via Parcel post) and one-piece design (ships truck freight)
- Extra length provides a third step for easy access to the truck bed or toolbox
- Kickout version for Dually trucks also available
- Limited Lifetime Warranty for Polished Stainless finish
- 5-Year Warranty for Black Powder Coat finish

GO RHINO GRILLE GUARDS

Times and trucks have changed a lot since we invented the modular grille guard back in the 70s. For 2015, the GO RHINO front guard lineup includes: 3000 Series Step Guard, Wrangler Guard, HD Winch Guard, and the all-new RC2 LR light-ready bull bar.

GO RHINO GRILLE GUARDS

GO RHINO 3000 SERIES STEP GUARD

- Patented built-in, bumper-level step provides easy access to the engine compartment
- Three-piece, heavy-duty, modular steel construction (will ship Parcel)
- Choose center-section only or add brush guards to protect headlights and fenders
- No-drill installation with heavy duty mounting hardware included
- Pre-drilled holes provided to mount two auxiliary lights
- 5-Year Warranty for Black Powder Coat and Chrome finishes

32

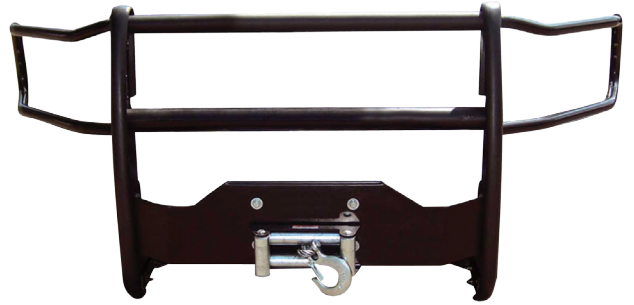

GO RHINO WRANGLER GUARD

- One-piece, heavy-duty steel construction (Must ship truck freight)
- Center screen protects the vehicle grille
- Patented built-in, bumper-level step provides easy access to engine compartment
- No-drill installation with heavy duty mounting hardware included
- 5-Year Warranty for Black Powder Coat

GO RHINO WINCH GUARD

- Built-in winch tray accommodates all winch brands
- HD models available with winch capacity up to 16,500 lbs
- Choose center-section only or add brush guards to protect headlights and fenders
- Works great with diesel rigs and trucks with oversized tires
- No-drill installation with heavy duty mounting hardware included
- Pre-drilled holes provided to mount two auxiliary lights or LED light bar
- 5-Year Warranty for Black Powder Coat finish
- Limited Lifetime Warranty for Polished Stainless finish

Heavy-duty winch guard shown.
Winch and fairlead not included.

34

NEW **GO RHINO** RC2 LR BULL BAR NOW LED LIGHT READY

GO RHINO RC2 LR Bull Bars combine great looks with a hexagonal pattern skid plate that incorporates convenient mounting for two LED lights. This multi-fit design employs a no-drill bracket system, sold separately to satisfy customers needs while stocking fewer parts. The new bracket system delivers maximum strength with reduced vibration.

FEATURES

- Provides mounting for two 3"x3" LED light pods and similar stem mount lights
- Offered with or without lights
- Easy inventory control with only two different frames and vehicle-specific mounting brackets
- 3-inch diameter tubular steel frame
- 14-gauge skid plate that incorporates a new hexagonal pattern
- No-drill brackets available for most applications (Sold separately)
- Kits that include the brackets with the bull bar are also available for easy ordering
- 5-Year Warranty for Black Texture Powder Coat finish
- Will not work with front sensors

GORHINO.COM See application guide for part numbers and application listings.

GO RHINO RC2 provides heavy-duty, front-end protection for your pickup truck, SUV or CUV. It's designed for quick and easy no-drill installation, and with pre-drilled mounting tabs, RC2 makes an ideal platform for auxiliary lights.

- 3-inch stainless steel tubing for pickups and SUVs (2 1/2-inch tubing for CUV vehicles)
- Stainless steel skid plate is included
- Includes two pre-drilled tabs to mount up to 6-inch diameter driving lights
- Easy no-drill installation
- Available in Black Texture Powder Coat, or Polished Stainless finish
- 5-Year Warranty for Black Texture Powder Coat finish
- Limited Lifetime Warranty for Polished Stainless finish
- Will not work with front sensors

GO RHINO TRUCK BED ACCESSORIES

Add style and function to the back of your truck with GO RHINO Bed Bars, Bed Rails and Sport Bars. All bars built from durable steel, all built rugged, and all designed for easy installation. Choose single, double or triple style bars.

GO RHINO BED BARS

- Provides the perfect place to mount off-road lights (Optional light bar mount sold separately)
- 3-inch, heavy-duty, modular steel tube construction (Will ship UPS)
- Modular bolt-together design with no exposed welds
- Included plastic gaskets eliminate metal to metal contact
- 5-Year Warranty for Black Powder Coat and Chrome finishes
- Limited Lifetime Warranty for Polished Stainless finish
- Complete kits available

Single-Single

Double-Single

Double-Double

Triple-Single

Triple-Double

OPTIONAL LIGHT BAR MOUNT

Optional light bar mount pre-drilled to mount up to four lights or one LED light bar. (Lights not included)

Black Powder Coat - Part No. 900B

Polished Stainless - Part No. 900PS

- Black Powder Coat
- Chrome
- Polished Stainless

Stake pocket mount
(No drilling required)

Multi-fit mount
(May require drilling)

GO RHINO BED RAILS

- Crafted from high-quality steel
- Available in no-drill stake pocket mount and multi-fit flush mount (May require drilling)
- Welded steel base plate for extra strength and easy installation
- Glued foam mounting gasket avoids metal contact (Stake pocket only)
- Sizes available to fit all cross bed toolboxes and other bed accessories

37

GO RHINO LIGHTNING SPORT BAR

EASY NO-DRILL, STAKE POCKET MOUNT INSTALLATION

- Heavy-duty steel construction
- Pre-drilled holes provided to mount up to four auxiliary lights or LED light bar (Lights not included)
- 5-Year Warranty for Black Texture Powder Coat finish
- Limited Lifetime Warranty for Polished Stainless finish
- All Lightning racks come with black corner tubes
- Chrome corner tubes and extra black corner tubes available for purchase separately

U.S. Patent No. D528,961 S

GO RHINO HITCH STEPS

Go Rhino Hitch Steps provide easy access to a truck bed, or SUV roof rack while offering additional collision protection to molded bumpers. Easily installed without tools into standard hitch receivers.

GO RHINO 4-INCH OVAL HITCH STEP

- Large 24-inch wide step
- High-traction molded step pad for sure footing
- Easily installed into standard 2-inch hitch receivers
- Anti-rattle device included

Black Powder Coat – Part No. 460B

Polished Stainless – Part No. 460PS

GO RHINO STEP

Provides a convenient standing spot when loading cargo

- Compact design measures 12 inches wide
- Heavy-duty 3-inch steel tubing
- High-traction perforated stainless steel step pad
- Easily installed into standard 2-inch hitch receivers

Black Powder Coat - Part No. 320B

Polished Stainless - Part No. 320PS

GO RHINO STEP-N-TOW

Provides a convenient 14-inch wide step assist with or without trailer attached.

- Universal design fits most standard ball mounts
- Made from high-strength aluminum alloy
- Slip-resistant, machined step surface

Black Aluminum - Part No. 340B

Polished Aluminum - Part No. 340P

GO RHINO HITCH STEP

- Helps ease the strain of climbing into your truck bed or loading cargo up to a roof rack while providing additional bumper protection
- 36-inch wide step, 1 1/4-inch receiver step is 32 inches wide
- Built from heavy-duty 3-inch steel tubing
- Extra-wide, high-grip composite step pad
- Includes anti-rattle device and convenient storage bag
- Available in two sizes to fit 1 1/4 or 2-inch hitch receivers

2-INCH HITCH STEP

Chrome - Part No. 360C

Polished Stainless - Part No. 360PS

Textured Black - Part No. 360T

1 1/4-INCH HITCH STEP

Black Powder Coat - Part No. 310B

Chrome - Part No. 310C

Polished Stainless - Part No. 310PS

GO RHINO DOMINATOR HITCH STEP

- Unique design provides a full-size top step and a drop down lower step
- 36-inch wide step
- High-grip rubber step pad on top, and perforated step pad on lower step
- Heavy-duty steel construction for unmatched strength and durability
- Easily installed into standard 2-inch hitch receivers
- Includes anti-rattle device and convenient storage bag

Polished Stainless - Part No. D360PS

Textured Black - Part No. D360T

GO RHINO UNIVERSAL SIDE STEP

- Provides an easy step into cab and roof rack for most full sized Chevrolet, GMC, Dodge and Ford vehicles older than 2007
- Strong and durable 3-inch diameter tubing

Black Powder Coat - Part No. 120B

Chrome - Part No. 120C

Polished Stainless - Part No. 120PS

GO RHINO SR RACKS

GO RHINO SR Racks now come in two light-ready versions providing the perfect way to carry your extra gear with convenient mounting for auxiliary lights. Mount 2 LED lights on the SR20 rack, or 4 LEDs on the SR40. Both racks feature a front fairing for improved aerodynamics and integrated tie-down points for secure load management. The frames are a fully welded tubular steel construction and all components have a durable Black texture powder coat finish backed by a 5-year warranty.

SR10

SR10 features four light tabs for easy light installation

SR10 offered with black or brushed stainless fairing

NEW SR20

PROVIDES MOUNTING FOR 2 LED LIGHTS (Available with or without lights)

NEW SR40

PROVIDES MOUNTING FOR 4 LED LIGHTS (Available with or without lights)

FEATURES

- 16-gauge side plates feature tie down points for secure load management
- Fully welded tubular steel frame installs over factory or aftermarket cross bars (sold separately)
- Front fairing for improved aerodynamics
- Available sizes: 40"x48" and 40"x60"
- Black texture powder coat finish with a 5-Year warranty

GO RHINO EXHAUST TIPS

Finish off your truck's style with GO RHINO Exhaust Tips. With constant heating and cooling and exposure to winter road treatments, standard polished stainless steel exhaust tips discolor and fade. GO RHINO Exhaust Tips undergo the extra step of chrome plating over stainless steel to protect against corrosion and discoloration, which means they'll keep their brilliant shine forever, with just a soap and water cleaning.

FEATURES

- Easy clamp-on installation; no cutting, drilling or welding
- Stainless Steel Torca AccuSeal™ clamp included
- Black powder coat over stainless steel
- Chrome over stainless steel
- Limited Lifetime Warranty

GO RHINO GARAGE & SHOP ORGANIZERS

Store those loose items and enhance the utility and appearance of your garage, shop or toy hauler. Choose from 30 different functional styles made from high quality steel and finished in with a durable Red, White, or Black high-gloss powder coat. Mounting hardware included.

GO RHINO COMMITMENT

GO Rhino products are designed and produced with the highest of standards. We monitor, document, and inspect every part and every process, and as a result, we are certified to the ISO 9001:2008 standard that assures consistent quality and commitment to excellence. All finishes meet or exceed OEM standards for quality and durability. We take pride in all our choices of materials, construction, manufacturing and process to assure that you get the maximum value from every Go Rhino product.

GO RHINO WARRANTY

GO Rhino warrants its products to be free from defects in material and workmanship. This limited warranty extends for 5-years for Black finishes, 5-years for Chrome, and a Limited Lifetime Warranty for Polished Stainless finished products, from the date of purchase, for products purchased after April 2004, by the original owner. All warranty claims must be accompanied with the original invoice and photos of the product. It is the customer's responsibility to regularly clean and protect finish with applications of nonabrasive polish compatible with the product's finish. This warranty covers the cost of the product only and does not include the cost of removal, installation, or shipping of the product and is void if the product shows signs of alteration, misuse, mishandling, improper care, neglect, improper application and/or damage due to improper installation. This warranty provides a one-time replacement on workmanship to the original owner if all of the above conditions are met.

GO Rhino grille and brush guards are designed to enhance the styling of the vehicle only and are not intended as collision protection bumpers.

GO Rhino liability is limited to the repair or replacement of defective products manufactured by GO Rhino. Products submitted for warranty will be subjected to inspection by GO Rhino. Any products damaged by incorrect fitting, neglect or improper uses will not be replaced or repaired. GO Rhino reserves the right to change specifications, terms, conditions, and prices of items shown in the catalog without notice.
