DU-HA®

Underseat and Behind-the-Seat Storage Units + Gun Cases

Whether you're a contractor, sportsman, or simply someone looking for a great way to organize your full size pickup truck, the DU-HA® is perfect for you. The DU-HA® allows you to store your guns, ammunition, hunting gear, fishing rods and reels, tackle, GPS, binoculars, power tools, tow ropes, first aid kit, bungee straps, jack, hats, gloves, jumper cables, spare batteries, etc. safely and securely either under or behind the back seat of your truck.

Every DU-HA® includes organizers/gun rack, so you can safely store your guns in their upright position. The DU-HA® also acts as a legal gun case in most states and will hold 2, 3, or 4 guns, depending on the model of truck.

*Pending approval in Iowa and Illinois.

EASY INSTALLATION »

We like to keep it simple, especially when it comes to installation. Most DU-HA's can be installed quickly and easily in under 10 minutes.

» ORGANIZE YOUR GEAR

Use the included organizers / gun racks to create compartments to organize your gear or leave the organizers out to store larger items. It's your call.
